

RHA OREGON CODE OF ETHICS

Rental Housing Alliance Oregon is not a regulatory organization; we encourage our members to observe the following code:

- Practice positive relations enhancing the reputation of the rental housing industry.
- Conduct business legally by keeping informed of changing laws.
- Cooperate with city, county and state efforts to solve community problems.
- Communicate and network with other organizations with similar interests to promote health of industry.
- Maintain high standards of ethics and morality in all business transactions.
